PROFILE

I am Dennis Ugochigoziri Nwaogu, a skilled Web Developer with 6 years of experience in building dynamic, user-friendly websites and applications. My expertise spans front-end and back-end development, with proficiency in HTML, CSS, JavaScript, Node.js, and various CMS platforms. Beyond development, I have 4 years of experience in Digital Marketing, where I leverage SEO strategies, content creation, social media marketing, and analytics to enhance brand visibility and engagement. I thrive in data-driven decision-making, optimizing digital platforms for maximum reach and conversion.
